## PRODUCT GUIDANCE SHEET

### BRAKES WASHROOM CLEANER SANITISER

A powerful multi-purpose washroom and hard surface cleaner and disinfectant, formulated to remove soap scum and body fats whilst leaving a fresh herbal fragrance. Suitable for a wide variety of cleaning and sanitising tasks in the residential care, housekeeping, leisure and building cleaning sectors. Compliant to BS EN 1276: Dilution of 25:1 with water and a contact time of 5 minutes.

Product Name: BRAKES WASHROOM CLEANER SANITISER  
Description: Concentrated perfumed hard surface sanitiser  
Pack Size(s): 2x5ltr  
Pallet Size(s): 80  
Product Code(s): A84801

#### HOW TO USE

Used as a damp wipe hotel and leisure services surface cleaner, it is also suitable for cleaning high traffic (non-polished) floors, sanitary ware, showers cubicles, toilet floors, public showers and sluice rooms.

It must be diluted correctly with water to prepare effective cleaning solutions. Product is dispensed via a standard 5lt pelican pump.

#### Bottle sanitising solutions:

Dilute with one plunge of a 5lt pelican pump per 750ml labelled trigger spray. Remove gross debris and spray onto surface or equipment. Depending on the degree of soiling allow sufficient contact time. Agitate heavily soiled areas if necessary, then wipe away with a clean cloth or absorbent paper to leave a fresh clean surface.

#### Bucket & Mop cleaning solutions:

Depending on the volume capacity of the mopping system being used, dilute with 2 or 3 plunges of dispenser for 3lt to 8lt, and 5 plunges per 12lt bucket capacity.

### Clean-As-You-Go Hygiene

Remove gross debris. Spray directly onto the surface or equipment. Depending on the degree of soiling allow sufficient time for the product to penetrate the soil. Agitate heavily soiled areas if necessary, then simply wipe away with a clean cloth or absorbent paper to leave a fresh clean surface.

The product is a concentrate designed for economy in use, so follow the recommended dilution rates as over concentration of chemical may cause smearing on surfaces or leave them tacky. If this happens wipe down with a damp cloth or mop with cold clean water.

The safety information below and any hazard pictograms, refer to the concentrated product as supplied. When the product is diluted as recommended, the solution is not classified as hazardous, but normal hygiene precautions are advised.

## SAFETY ADVICE – WHEN HANDLING or DISPENSING THE CONCENTRATE

**DANGER** Causes serious eye damage. Causes skin irritation. Wear protective gloves and eye protection. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor.

For further detailed information on this product please refer to the Safety Data Sheet.

**FOR PROFESSIONAL USE ONLY**

## SAFETY ADVICE – WHEN USING THE DILUTED SOLUTION

Wearing eye protection is recommended when dispensing concentrate into bottle, but generally not needed for normal use of the cleaning solution. Wear suitable gloves. Avoid contact with eyes and skin. In case of contact with eyes, rinse immediately with plenty of water and seek medical attention. Keep out of reach of children

### COSHH STATEMENT

COSHH is a law that requires all employers to take steps to control substances (chemicals) that may cause harm to employees, contractors and visitors to the workplace. Every work environment will be different in terms of the hazardous chemicals that are present, and how these are used, and individual assessments may be necessary to consider how chemicals can be handled and stored safely, in addition to ensuring that appropriate PPE and training is provided for employees. Product SDS and Product Guidance Sheets are intended to help when carrying out a COSHH assessment, however if further advice is needed with regard to specific issues in your work environment we are happy to provide advice. **E-Mail Technical:** [technical.solutions@rpadam.co.uk](mailto:technical.solutions@rpadam.co.uk)
