Product Name: BRAKES FLORAL AIR FRESHENER
Description: Ready to use air freshener & air odour neutraliser
Pack Size(s): 3x750m
Pallet Size(s): 200
Product Code(s): A88395

HOW TO USE

Brakes Floral Air Freshener is used directly from the bottle as a ready to go solution and requires no dilution with water.

- An air freshener/conditioner specifically designed to encapsulate and destroy foul smells. Used to treat bars, restaurants, hotel rooms and other accommodation/public areas where stale odours are prevalent.
- Contains a long lasting residual fragrance and is ideal for residential care homes, hotels, restaurants, building services cleaning and leisure facilities.
- Using the trigger bottle atomiser spray, direct and spray upwards into the corners of the room. Due to the strong residual fragrance do not over use; this should be the final product used on vacating the room after all other cleaning operations have been completed.
- It is safe to use on curtains, carpets and other soft furnishings. Care should be taken to avoid breathing vapours.
- Ensure that the product is directed into the air as you leave the room, caravan, chalet or toilet.

SAFETY ADVICE

Not classified as hazardous, however we advise that normal cleaning safety practises are adopted. Wear rubber gloves when handling and avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical attention if irritation persists.

For further detailed information on this product please refer to the Safety Data Sheet.

FOR PROFESSIONAL USE ONLY

COSHH STATEMENT

COSHH is a law that requires all employers to take steps to control substances (chemicals) that may cause harm to employees, contractors and visitors to the workplace. Every work environment will be different in terms of the hazardous chemicals that are present, and how these are used, and individual assessments may be necessary to consider how chemicals can be handled and stored safely, in addition to ensuring that appropriate PPE and training is provided for employees. Product SDS and Product Guidance Sheets are intended to help when carrying out a COSHH assessment, however if further advice is needed with regard to specific issues in your work environment we are happy to provide advice. **E-Mail Technical:** technical.solutions@rpadam.co.uk
