Product Name: BRAKES GLASS AND STAINLESS STEEL CLEANER
Description: Ready to use glass and stainless steel cleaner
Pack Size(s): 3x750ml
Pallet Size(s): 200
Product Code(s): A88400

HOW TO USE

Brakes Glass and Stainless Steel Cleaner is used directly from the bottle as a ready to go solution and requires no dilution with water.

- A smear free formulation for all glass, mirror and stainless steel fixtures and fittings. It is ideal for use in retail catering outlets, hotels, restaurants, commercial buildings, education and leisure facilities.
- Designed to remove grease, finger marks and lipstick from mirrors and glass surfaces, it can also be used for surface cleaning on non-porous serving area surfaces in retail catering outlets to remove light grease and grime.
- Simply mist the product onto the surface from approximately 30cm and then wipe off vigorously with a clean dry cloth or disposable paper.
- Poor results and smearing will result from over usage or from using dirty cloths.
- **Caution:** Do not over-use this product as it will lead to unnecessary work and may lead to smearing on surfaces.

SAFETY ADVICE

Not classified as hazardous, however we advise that normal cleaning safety practises are adopted. Wear rubber gloves when handling and avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical attention if irritation persists.

For further detailed information on this product please refer to the Safety Data Sheet.

FOR PROFESSIONAL USE ONLY

COSHH STATEMENT

COSHH is a law that requires all employers to take steps to control substances (chemicals) that may cause harm to employees, contractors and visitors to the workplace. Every work environment will be different in terms of the hazardous chemicals that are present, and how these are used, and individual assessments may be necessary to consider how chemicals can be handled and stored safely, in addition to ensuring that appropriate PPE and training is provided for employees. Product SDS and Product Guidance Sheets are intended to help when carrying out a COSHH assessment, however if further advice is needed with regard to specific issues in your work environment we are happy to provide advice. **E-Mail Technical:** technical.solutions@rpadam.co.uk
