## PRODUCT GUIDANCE SHEET

### BRAKES KETTLE DESCALER

A mild citric and phosphoric acid formulated product developed for the effective removal of lime-scale from kettles, urns and coffee machines. Can also be used under supervision as a surface scale remover from shower walls, tap bases and other areas around basins in washroom areas.

Product Name: BRAKES KETTLE DESCALER  
Description: Ready to use kettle and coffee machine descaler  
Pack Size(s): 6x1ltr  
Pallet Size(s): 80  
Product Code(s): A84791

### HOW TO USE

Brakes Kettle Descaler is used directly from the bottle as a ready to go solution and requires no dilution with water. For use on kettles, teapots, and coffee making machines and as a mild hard surface scale remover in housekeeping applications.

Pour approximately 100mls of product into a full kettle of hot water. However, do NOT BOIL the water. Allow 20 minutes contact time, empty and rinse thoroughly, then boil the kettle three times, rinsing in between with fresh water, before allowing back into service.

**Coffee Machines:** Pour 100mls into the reservoir and add 500mls of cold water. Switch on the machine and allow half of the solution to run through before switching off. Leave for 1 hour. Boil through the solution before emptying and boiling through again at least twice with clean water. Always refer to manufacturer's technical data sheets for descaling procedures for coffee machines and other appliances.

#### Caution:

**Never use this product in conjunction with a chlorine based (bleach) product. It will produce chlorine gases which can be fatal if inhaled.**

## SAFETY ADVICE

**WARNING** Causes serious eye irritation. May be corrosive to metals. Wear protective gloves and eye protection IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists get medical attention. Absorb spillage to prevent material damage.

**For further detailed information on this product please refer to the Safety Data Sheet.**

**FOR PROFESSIONAL USE ONLY**

### COSHH STATEMENT

COSHH is a law that requires all employers to take steps to control substances (chemicals) that may cause harm to employees, contractors and visitors to the workplace. Every work environment will be different in terms of the hazardous chemicals that are present, and how these are used, and individual assessments may be necessary to consider how chemicals can be handled and stored safely, in addition to ensuring that appropriate PPE and training is provided for employees. Product SDS and Product Guidance Sheets are intended to help when carrying out a COSHH assessment, however if further advice is needed with regard to specific issues in your work environment we are happy to provide advice. **E-Mail Technical:** [technical.solutions@rpadam.co.uk](mailto:technical.solutions@rpadam.co.uk)
